

Welcome to the Agriculture-Nutrition Community of Practice! We welcome contributions to the group via the Discussions tab (to submit an informational e-mail to the group), material for the library (see the folders for organizing contents), to the calendar (post your events!) and your member profile. To edit your member profile click on the user id on the top right of the page. A menu should appear for you. If you have any questions about the group, feel free to contact me at the email below. Thank you for your interest in the group!
