Updated Aug 30, 2011 at 08:02am IST

BANGALORE: Prof M Ramachandra Mohan of the Department of Zoology, Bangalore University has been invited to present a paper titled, 'Water Quality Monitoring of Magadi Hill Range Lakes and Reservoirs in Bangalore, India' at the, the 14th World Lake Conference.

The conference is jointly organised by the United States of America and International Lake Environmental Committee, Japan from October 31- November 4 at Austin, Texas, USA.

The World Lake Conference will provide an international forum for discussing lake/ reservoir related issues from international, national and state agencies.

NGOs, academic institutions, water industry and resource management professionals, private sector and other water stakeholders will be participating.
